“Personal Interest” includes any interest in a matter that could benefit a Board member, Regional Advisory Committee member, staff, or consultant or a Related Person in their private activities, relationships, or benefits unless that interest is one that the person has in common with the general public.

While it is recognized that Board Members and Regional Advisory Committee members work for or have associations with organizations relevant to the work of ETSI-BC, Board members and Regional Advisory Committee members are elected/appointed to represent the interests of the entire Trust area, and not as representatives of other organizations, or specific local governments.
