00:39:45 Leanne Hammond: I am driving so not joining a breakout.

00:39:57 Jayme Jones, Selkirk Innovates: What question(s) do you hope to answer with data?

What data do you think you need to answer those questions?

Where would you go to find that data?

00:59:12 Robyn Peel - CFEK: <https://communitydata.ca/>

00:59:29 Robyn Peel - CFEK: <https://stateofthebasin.ca/>

01:01:54 Aaron Ander: very interesting....

01:03:43 Riley Wilcox: Labour Market Outlook 2023 is updated and has great links to data sets as well as an updated TEER system that works well the NOIC codes <https://www.workbc.ca/research-labour-market/bcs-labour-market-outlook-2023-edition>

01:11:04 Aaron Ander: Can you put a link to the feedback form in the chat?

01:11:18 Robyn Peel - CFEK: <https://stateofthebasin.ca/feedback>

01:11:36 Aaron Ander: Thanks Robyn!

01:34:04 Robyn Peel - CFEK: You can view Golden's Agriculture Sector Profile on their website: <https://goldenced.ca/> and more specifically here: <https://goldenced.ca/wp-content/uploads/2023/09/agriculture-sector-profile-2023.pdf>

01:37:22 Jayme Jones, Selkirk Innovates: What data would you start with to answer your community or organization's questions?

What data is missing that you think you need to answer your questions?

If data is not available, what would you do?

01:55:12 Cheryl Cook: Thanks! I learned a lot! I'm looking forward to the next session

01:55:19 Riley Wilcox: BC Farmers Markets are releasing an economic impact survey soon <https://bcfarmersmarket.org/for-markets-vendors/2023-bc-farmers-market-economic-impact-study/>

01:55:41 Deryn Collier: Thanks so much! Great learning.
